An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Porcelli on 1/20/06.

The application has been amended as follows:

Cancel nonelected claims 8,9,10, without prejudice.

In claim 1, line 12, after "base" insert –and provide a complementary fit within the recess-.

The following is an examiner's statement of reasons for allowance: On 12/5,12/21 and 1/20 Mr. Porcelli and I discussed claim 1, and the Peschel patent and agreed that the above set forth limitation more clearly defines that the recess is adapted to contact and complementarily fit with a cooperating roller, as discussed in the "remarks " filed on 11/1/06.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Grosz whose telephone number is 571-272-7041. The examiner can normally be reached on Monday - Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Lee can be reached on 571-272-7044. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
